ARGOR-HERAEUS

The golden link

CAST AND MINTED BARS

The quality of our bars has been a reference point on the precious metal value chain for many years. We process all of our metals transparently and responsibly and ensure its traceability from mine to consumer. As part of Heraeus Precious Metals, we are now the precious metal industry's largest global service provider.

Our hallmark is the symbol of all this: our identity is on every one of our bars.
